

# MA Television Fiction Writing

Raw Talent, New Voices

An exciting new partnership between the television industry and Higher Education is ready to produce the next generation of professional script writers. This masters focuses solely on writing for the television sector - a key element of the Scottish, UK and global economies.

Are you ready to develop your creative writing skills for television? Please contact us for further details on [matv@gcal.ac.uk](mailto:matv@gcal.ac.uk) or visit the website [www.tvfictionwriting.com](http://www.tvfictionwriting.com).

A number of industry sponsored places are available.
